## **“Through the Window”**

**Vermont Granite Museum  
7 Jones Brothers Way, Barre VT  
July 1 – October 31, 2020  
Wednesday & Saturday**

In the winter of 2019 when the Paletteers were painting the mural for Summer Street in Barre, we discovered the Vermont Granite Museum had an inventory of window panes from a previous window replacement project. Upon learning the Museum had no plans for their use or disposal it only took a moment for creative minds to get excited and begin planning a themed art exhibit. With only one rule - use the window pane - our members were provided with a window and opportunity to create art.

**Window Friends, Cindy Griffith**

We are thrilled to be able to share our creative spirit through this exhibit. Each is an original piece of art, by a Vermont artist and includes an authentic piece of Vermont history in the form of a Vermont Granite Museum Window.

**Special thanks to the Vermont Granite Museum and Executive Director, Scott McLaughlin for sharing our vision and making this exhibit possible.**
