

Notes from Board Meeting January 13, 2015

Participants: Clara, Jan, Melinde, Bob, Dee, Linda

Issues relating to the Spring Show

Bob will be in New Mexico, back 4/1/15.

He will send out the notice about the show before he leaves and the April membership meeting notice.

Some people may not participate as it is a theme show about Barre history. It was suggested we canvas participants so if there is extra space people may hang more than the customary 3 pieces.

Postcards will be sent about the show available to members, and sent to city fathers, city council, City Manager, granite businesses, major employers etc. Cardstock 4/sheet, black and white or sepia.

Postcard committee: Dee and Linda

We will be collecting addresses and updating membership lists.

Could we get a copy of the Library member list?

There will be a \$5 registration fee for the show to help allay costs.

We would like to have trays from Hannafords for this show, and Jan and Clara will take charge of this. No grapefruit; punch provided.

February 10th Membership meeting planning - no speaker for this evening

Members bring in a painting for critique; discussion of focal points, color effects; atmosphere color effects, ways to arrange composition; originality, etc.

Art exercises such as contour drawing, up-side down drawing, etc. using thumbnails, grids.

Everyone should bring in a sketch pad and drawing utensils.
